ABOUT NEW TOWN:

Sales are brisk for McBride & Son Homes at their dynamic New Town community located in St. Charles and for good reason. New Town has been one of the metro area's premier communities for years. Prospective buyers have got to come out and experience New Town, it's a special place.

AMENITITES:

There is nothing in metro St. Louis quite like the incredibly unique new homes at New Town. New Town is based on the traditional neighborhood design and new urbanism which advocates walkable, mixed-use neighborhoods with relatively high population densities, as an alternative to the urban sprawl of conventional, automobile centered suburbs. In addition to the residential and recreational development, the community includes commercial space and currently has several small businesses, restaurants, cafés, parks, neighborhood centers, and even a grocery store.

OUTSTANDING VALUES:

The old adage in real estate is 'be in the best community at the lowest price' and McBride at New Town delivers with incredible value pricing. It's easy to see why so many savvy consumers are building a new McBride home at New Town. The community features 7 new floor plans that fit seamlessly into the unique New Town feel. These New Urbanist designed homes will feature Hardie Plank siding, rear entry garages, vibrant Nantucket style colors and sized to fit your lifestyle. Come experience New Town today!
